## **Here's how it's posted on the site,**

The New Christian Community Connect and Christian Phone Book is growing all over the State of Indiana and looking for the right individuals to bring on as Members of our Sales Team.

We started over 30 years ago with print and now with Web, Mobile and Digital Marketing and the New Christian Community Connect we are positioned to grow all over the State.

As a new Sales Team Member, you would be an Independent Contractor setting your own schedule and growing your own Client Base and Sales Team if you wanted with full support.

You could be full time or part time. You could possibly be semi-retired or Fully-retired from your full-time career and still want to be active in a growing marketplace business and ministry.

We also have a system in place to support and train those who would like to have the opportunity to build their own Sales Force within the business to create more income.

**Imagine** an on-line community where Christ followers could find deeply discounted coupons, read testimonies from other believers, read or listen to pod casts from local Bible teachers/pastors, see all upcoming events or volunteer opportunities from hundreds of ministries and churches, see and engage with potential job opportunities from business leaders, churches, and ministries, provide "star" ratings on churches, businesses and other organizations as to your experience with them.

Imagine a place to connect with fellow believers for just about any purpose (finding a small group, dinner, etc.), participate in on-line Bible studies or simply learn helpful tips from local business owners on how to care for your home, home remedies that work, how to save money and much more.

Imagine being able to connect with any Business, Church, Ministry or other brothers and sisters in Christ.

We call this on-line destination **"Christian Community Connect."**

We sincerely thank you for allowing us to serve you.
